

Bicycle Level of Traffic Stress - Bicycle Facilities

- | | | |
|---|--|------------------|
| — LTS 1 | City of Palo Alto | Community Center |
| — LTS 2 | Park/Open Space | Library |
| — LTS 3 | School/University | Caltrain Stop |
| — LTS 4 | Commercial Center | Railroad |

Note: Split lines are only used for roadways with different conditions per direction (for example: bike lane in only one direction or parking only on one side), otherwise all roads are shown with only a centerline.

0 1 2 Miles
