

Project Plans

In order to reduce paper consumption, a limited number of hard copy project plans are provided to Board members for their review. The same plans are available to the public, at all hours of the day, via the following online resources.

Environmental Document

The subject project has been assessed in accordance with the authority and criteria contained in the California Environmental Quality Act (CEQA), the State CEQA Guidelines, and the environmental regulations of the City. Specifically, the project is categorically exempt from the provision of CEQA as it falls under a Class 1 or an “Existing Facilities” exemption (Categorical Exemption 15301). This project meets this exemption due to the scope of work that is limited to interior improvements and exterior alterations to the façade of an existing building.

Directions to review Project plans and environmental documents online:

1. Go to: bit.ly/PApendingprojects
2. Scroll down to find “180 El Camino Real” and click the address link
3. On this project-specific webpage you will find a link to the project plans and other important information

Direct Link to Project Webpage:

Materials Boards:

Prior to the hearing, color and material boards will be available to view in the display case outside of City Hall, on the exterior elevator near the corner of Hamilton Ave. and Bryant St. For closer examination, this same board will be brought to chambers during the ARB hearing.

If you need assistance reviewing the above documents, please contact the Project Planner or call the Planner-on-Duty at 650-617-3117 or email planner@cityofpaloalto.org
