Dear Chair Rosenberg and board members,

I will be visiting grandkids and will miss the meeting.

I look forward to your comments.

As you often hear from neighbors complaining about projects, I am writing as a neighbor who lives behind the proposed project in the same block and a clear line of sight out our back windows.

DTN will benefit from the addition of housing, even small bits and I look forward to supporting this proposal if you find it is compliant with DTN housing related regulations.
