

ORDINANCE NO. \_\_\_\_\_

Ordinance of the Council of the City of Palo Alto Amending Section 18.08.040 of the Palo Alto Municipal Code (the Zoning Map) to Rezone the Property at 702 Ellsworth Place from Planned Community Ordinance 2343 (PC-2343) to Planned Community Ordinance XXXX (PC-XXXX).

The Council of the City of Palo Alto does ORDAIN as follows:

SECTION 1. Findings and Declarations.

- (a) On \_\_\_\_\_, Dewey Land Company LLC (“Dewey”) and Handa Developer’s Group/RRP (“Handa”) applied to amend Planned Community (“PC”) Ordinance 2343 to apply solely to the property at 2901-2905 Middlefield Road, APN 127-35-194, (“Middlefield Parcel”) and rezone the property at 702 Ellsworth Place, APN 127-35-152, (“Ellsworth Parcel”) from Planned Community to Single Family Residential (R-1).
- (b) The City Council at its March 13, 2023 study session considered the prescreening application and indicated the project applicants should proceed with a formal PC rezoning application to the Planning and Transportation Commission for a recommendation.
- (c) On June 28, 2023, July 12, 2023, and August 9, 2023 the Palo Alto Planning and Transportation Commission (“PTC”) held a series of public hearings to consider the application. The PTC recommended that PC-2343 be amended to remove the Ellsworth Parcel and to establish two new PC ordinances to govern the Middlefield Parcel and Ellsworth Parcel, respectively.
- (d) The rezoning recommended by the PTC would remove the 6,493 square foot parcel currently owned by Handa at 702 Ellsworth from PC-2343 and redesignate it as a separate PC, for the purpose of constructing a single-story, single-family residence. The PTC recommended the following conditions:
  - (i) the development plan shall include a 2’6”-wide swath of pavement alongside Ellsworth Place beginning at the Middlefield Road curb line and extending to the proposed walkway to the single-family residence to increase the perceived width of Ellsworth Place,
  - (ii) the 35-foot sight triangle at the intersection of Ellsworth Place and Middlefield Road shall not be obstructed by plants, fences, or other objects taller than 1 foot,
  - (iii) the 25-foot special setback from Middlefield Road shall be observed,
  - (iv) the setback from the creek shall be determined by a slope stability analysis,

- (v) and a 6-foot setback shall apply to the rear property line, except with respect to a detached garage.
- (e) The PTC recommended concurrent adoption of a companion ordinance (Ordinance No. XXXX) to reduce the area of the Planned Community PC 2343 from 26,386 sf to 19,893 square feet to encompass 2901-2905 Middlefield Road, a 12-unit apartment building currently owned by Dewey, and amend the development plan for the PC to:
  - (i) restripe the tenant parking facility to assign four uncovered parking spaces to meet current code requirements for tenant parking spaces,
  - (ii) provide a truck delivery space,
  - (iii) maintain trash enclosure and pickup from Sutter Avenue,
  - (iv) the 35-foot sight triangle at the intersection of Ellsworth Place and Middlefield Road shall not be obstructed by plants, fences, or other objects taller than 1 foot, and
  - (v) and add a 3'6"-wide swath of paving alongside Ellsworth Place beginning at the Middlefield Road curb line and extending to the location of an existing utility pole guy-wire to increase the perceived width of Ellsworth Place.
- (f) The Planning and Transportation Commission, after duly noticed public hearings on June 28, July 12, and August 9, 2023, made the findings set forth below and recommended that Section 18.08.040 (the Zoning Map) of the Palo Alto Municipal Code be amended.
- (g) The Council, after due consideration of the recommendations, finds:
  - (i) The site is so situated and the uses proposed for the site are of such characteristics that the application of general districts or combining zoning districts will not provide sufficient flexibility to allow the proposed development; the City's conventional zoning district RM20 would not permit the existing 12 unit structure on the proposed 0.46 acre site
  - (ii) Amendment to the existing Planned Community PC2343 will provide public benefits expected to result from the Project, including an expanded public access easement over the first 35 feet of Ellsworth Place, and the construction of an additional dwelling unit.
  - (iii) The Council further finds that the Project provides public benefits, as described above, that are of sufficient importance to make the Project, as a whole, one with reasonable public benefit.
  - (iv) The proposed single-family residence is compatible with existing and potential uses on adjoining sites or within the general vicinity, which are typically single-family residences and one 12-unit apartment complex.
  - (v) The use permitted and the site development regulations are consistent with the following Palo Alto Comprehensive Plan policies and are, on balance consistent with the goals and purposes of the Comprehensive Plan:

Policy L-1.1	Infill development in the urban service area should be compatible with its
