

### Attachment C: Summary of Stanford Related Programs and Services

<b>Fund</b>	<b>Dept. or Project</b>	<b>Description</b>
Operating	Fire	<b>Fire Services Contract with Stanford University</b> Stanford reimburses the City for providing Fire services to the University based on an agreement between the City and the University.
Operating	Office of Transp.	<b>Palo Alto Link (PAL) On Demand Transit Services</b> Palo Alto Link services provide on-demand transit services, and Stanford provides funding for a portion of this service.
Operating	Police	<b>Dispatch Communication Services Contract with Stanford University</b> Stanford reimburses the City for providing dispatcher communication services to the University based on an agreement between the City and the University.
Capital	PL-16000	<b>Quarry Road Improvements and Transit Center Access</b> Stanford is the lead on this project, and in order to continue with it, Palo Alto voters must undedicate a portion of El Camino Park (which is owned by Stanford and leased to the City) so that the land can be used for transit center access. A ballot measure proposing this action is expected in 2024.
Capital	FD-24000	<b>Fire Training Facility Replacement</b> This project will identify an appropriate site and construct a new fire training facility in Palo Alto. The current training facility is located on the Stanford University campus and is not owned by the City. A feasibility study will be conducted to determine the facility needs as well as an appropriate and available location for the new facility.
Capital	FD-25000	<b>Fire Equipment Replacement</b> This project will replace variety of equipment required for different types of emergency response and training, a portion of which is funded by Stanford and used to provide services to the University. The Fire Department completed a comprehensive assessment of all current primary equipment categories, as well as estimated costs and replacement schedules.
