1. The foregoing recitals are true and correct and are incorporated by reference into this action.
2. The record of proceedings upon which the City Council bases its decision herein includes, but is not limited to: (1) the Addendum and the 2017 Comprehensive Plan Final EIR including all appendices and attachments cited and/or relied upon therein; (2) the staff reports, City files and records and other documents prepared for and/or submitted to the City relating to the 2017 Comprehensive Plan Final EIR, the Addendum, and the 2023-2031 Housing Element; (3) the evidence, facts, findings, and other determinations set forth in this Resolution; (4) the 2017 Comprehensive Plan; (5) all studies, data, and correspondence submitted by the City in connection with the Addendum and the 2023-2031 Housing Element; (6) all documentary and oral evidence received at public workshops, meetings, and hearings; (7) all other matters of common knowledge to City decisionmakers, including City, state, and federal laws, policies, rules, and regulations, reports, records, and projections related to development within the City of Palo Alto and its surrounding areas. The location and custodian of records is the City Clerk of the City of Palo Alto, 250 Hamilton Avenue, Palo Alto, CA 94305.
3. Based on the record of proceedings as a whole, the City Council approves the Addendum to the 2017 Comprehensive Plan Final EIR and makes the following findings and declarations:
 - a. That the 2023-2031 Housing Element represents only incremental change over the conditions studied in the 2017 Comprehensive Plan Final EIR.
 - b. The MMRP adopted in conjunction with the 2017 Comprehensive Plan included all mitigation measures necessary to mitigate the most impactful scenarios contemplated in the 2017 Comprehensive Plan EIR.
 - c. None of the conditions described in CEQA Guidelines Section 15162 calling for the preparation of a Subsequent EIR or Supplemental EIR are present, as set forth in the Addendum.
 - d. Any modifications to the 2023-2031 Housing Element directed by the City Council on May 8, 2023 do not change the conclusions of the Addendum and the 2017 Comprehensive Plan Final EIR.
 - e. The Addendum has been prepared in accordance with CEQA and the State CEQA Guidelines and reflects the independent judgment of the City as lead agency.

- f. All mitigation measures included in the MMRP for the 2017 Comprehensive Plan Final EIR will continue to be required, as part of the adoption of the 2023-2031 Housing Element.
4. Based on the record of proceedings as a whole, the City Council makes the following findings and declarations regarding the 2023-2031 Housing Element, as shown in Exhibit A to this Resolution, incorporated herein:
 - a. Adoption of the 2023-2031 Housing Element is in the public interest. The 2023-2031 Housing Element promotes the production of the City's share of regional housing need for all segments of the community, which is in the interest of the City, the region, and the state.
 - b. The 2023-2031 Housing Element is internally consistent and consistent with the rest of the Comprehensive Plan. As an integrated set of goals, policies, programs, and timelines, and quantified objectives, the 2023-2031 Housing Element does not approve any specific development projects; it acknowledges land use and zoning changes that will be required and therefore it creates no inconsistencies with the Comprehensive Plan.
 - c. The 2023-2031 Housing Element was developed through diligent effort by the City to achieve public participation of all segments of the community, as described in Chapter 1 of the 2023—2031 Housing Element.
 - d. The 2023-2031 Housing Element substantially complies with all requirements of Housing Element Law, as provided in Government Code 65580 et seq., and contains all provisions required by State Housing Element Law, as shown in Exhibit D to this Resolution, incorporated herein.
5. Based on substantial evidence in the record, including, but not limited to, the analyses provided in Chapters 3 and 4 of the 2023-2031 Housing Element, the City's experience with the redevelopment of non-vacant and commercially developed sites for housing, strong expressed interest from property owners and developers, and the numerous policies and programs in Chapter 5 of the 2023-2031 Housing Element aimed at reducing constraints to housing development and otherwise increasing housing supply, the existing uses on the non-vacant sites identified in the site inventory to accommodate the RHNA are likely to be integrated with new residential uses or discontinued during the planning period and therefore do not constitute an impediment to planned residential development on the site during the planning period.
6. As required by Government Code Section 65585(e), the City Council has considered the findings made by the Department of Housing and Community Development included in the Department's letter to the City dated March 23, 2023, consistent with Government Code Section 65585(f), and as described in Exhibit C to this Resolution, incorporated herein, the City Council has changed the Housing Element in response to the findings of the Department to substantially comply with the HCD's interpretation of the requirements of State Housing Element Law.
7. The 2015-2023 Housing Element is hereby repealed in its entirety, and the 2023-2031 Housing Element is adopted.

8. The City Council intends to complete the HCD review process to obtain an HCD findings of substantial compliance and certification and hereby directs and authorizes the Director of Planning and Development Services: a) to file all necessary material with the HCD for the Department to find that the Housing Element is in conformance with State Housing Element Law; and b) to make all non-substantive changes to the Housing Element to make it internally consistent or to address any non-substantive changes or amendments requested by the Department to achieve certification.
9. The Director of Planning and Development Services is hereby directed to ensure that the adopted Housing Element, including any additional amendments, is posted to the City's website, and a link emailed to all individuals and organizations that have previously requested notices, at least seven days prior to submission to HCD.
10. The Director of Planning and Development Services and City Clerk are hereby directed to distribute copies of the Housing Element in the manner provided in Government Code Sections 65357 and 65589.7.
11. This Resolution shall become effective upon adoption by the City Council.
