Ms. Amy French, Chief Planning Official, Amy.French@CityofPaloAlto.org

Dear Ms. French:

I would like to be considered for the 3-person neighborhood committee, to provide advisory services to the Planning and Development Services Director with respect to the Castilleja School Renovation project and its related compliance obligations.

I am a 43 year neighbor of Castilleja School living across Embarcadero from the school at [REDACTED] Emerson St. I think the City Council and the School, with all of the community's input, ultimately reached a fair and balanced resolution to provide for the school's modernization. I was actively involved in the many years of Council meetings and neighborhood meetings and feel that I have a deep understanding of the issues and would be a valuable and hardworking committee member.

Although I retired in 2004, I am attaching my professional resume if it is helpful to the process. In addition, I have served on non-profit boards and volunteer positions at Lucile Packard Children's Hospital.

Thank you for your consideration.
