

Attachment C: Summary of Stanford Related Programs and Services

Fund	Dept. or Project	Description
Operating	Fire	Fire Services Contract with Stanford University Stanford reimburses the City for providing Fire services to the University based on an agreement between the City and the University.
Operating	Office of Transp.	Palo Alto Link (PAL) On Demand Transit Services The FY 2024 Budget adds funding to engage in a pilot period to expand Palo Alto Link services to provide on-demand transit services. Stanford provides funding for a portion of this service
Operating	Police	Dispatch Communication Services Contract with Stanford University Stanford reimburses the City for providing dispatcher communication services to the University based on an agreement between the City and the University.
Capital	PL-16000	Quarry Road Improvements and Transit Center Access Funding moved from FY24 to FY25 in 5-year CIP. Stanford is the lead on this project, and in order to continue with it, Stanford needs to annex a portion of parkland in order to ensure that it can be used for transit center access. A ballot measure proposing this action is expected in 2024.
Capital	FD-24000	Fire Training Facility Replacement This project will identify an appropriate site and construct a new fire training facility in Palo Alto. The current training facility is located on the Stanford University campus and is not owned by the City. A feasibility study will be conducted in FY 2024 to determine the facility needs as well as an appropriate and available location for the new facility.
