Dear Council Members:

Please approve the funding for Ventura's Boulware Park. We need more parkland here in Ventura. We are excited to see Ventura enhanced with all the amenities the park will offer.

Thank you.

Dear Council Members,

We reside near John Boulware Park and have been eagerly awaiting the start of the John Boulware Park Renovation project, which was announced sometime back. However, the construction has been delayed without any clear reason.

The current state of the park is in a state of disrepair and renovation is necessary as soon as possible. Based on my observation, the facility is broken and there is an urgent need for a restroom since people use the corner as a toilet. Public safety is also a concern as we often hear loud music playing or people talking loudly in the middle of the night.

We kindly request that the funding for Ventura's Boulware Park is approved. With the inclusion of new amenities, the park will provide a safe and enjoyable space for families to spend time together, exercise, and enjoy the outdoors.

We sincerely hope that the project can commence as soon as possible.

Thank you!

Alex

Dear City Council Members,

Please approve full funding for the Boulware Park Renovation. The project plan accurately reflects the desires neighborhood residents as expressed at three community meetings held by the project team. I have two local granddaughters, ages four and nine, and a local grand dog. As regular visitors to the park, are all excited about the planned renovation. I am sure my granddaughters will enjoy all the new playground equipment. And we will finally be able to let the grand dog run off leash!

This renovation is long overdue!

Dear City Council Members,

Our neighborhood is excited about the refurbishment of Boulware Park. I am especially enthusiastic about the naturalization of the creek, and creek access for visitor, as currently exists at Bol Park.

I encourage you to fund all the new amenities suggested in the plans that have been drawn up.

Thank you,

Angela Dellaporta

Dear Palo Alto Council Members:

As a Ventura resident, I'm writing to let you know that I am a strong supporter of public parks and I truly believe that having a strong and safe public space greatly benefits our communities. With this said, **please approve** the funding for Ventura's Boulware Park. We need more parkland here in Ventura. During the pandemic, my late husband, daughter and I spent many many hours in Boulware park and this location holds a special place in my heart. I have been a Ventura resident since 2017 and love my community but think we can always be better. I am very much looking forward to and am excited to see Ventura enhanced with all the amenities the park will offer. Thank you for your ear.
