

# 03 / Site Concept

When the Housing Authority purchased the Park in 2017, we entered into a Regulatory Agreement with the City of Palo Alto and the County of Santa Clara.

The Regulatory Agreement requires that we:

1. **Improve the Park**, and
2. **Apply affordable rents** as defined in the Regulatory Agreement

As we start with the redevelopment of the Park, our goal remains the same:

**Provide new housing for all current Park residents**

## Redevelopment Goals

**#1**

**Housing for  
all current  
residents/  
families**

**#2**

**Housing  
remains  
affordable**

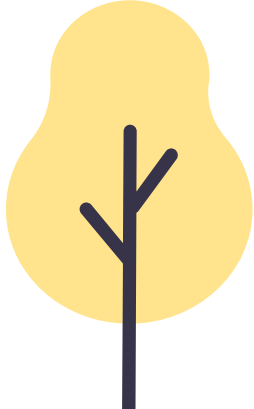

**#3**

**Preserve  
ownership**

**#4**

**Improve  
amenities  
and utilities**
