

City Schools Liaison Committee Staff Report

From: Chantal Cotton-Gaines, Deputy City Manager
Lead Department: City Manager's Office

Meeting Date: March 16, 2023

TITLE

Presentation from Safe Routes to School (SRTS) Partnership Annual Report for 2021-2022

BACKGROUND

The local Safe Routes to School (SRTS) Partnership between the City of Palo Alto, the Palo Alto Unified School District (PAUSD), and the Palo Alto Council of PTAs (PTAC) works to reduce risk to students en route to and from school, and to encourage more families to choose alternatives to driving solo more often to promote healthy, sustainable school commutes.

City staff will provide the attached presentation reviewing program activities and evaluation data for the 2021-2022 school year. The Annual Report for the Safe Routes to School Partnership will be presented to Council in May.
