

City Schools Liaison Committee Staff Report

**From: Chantal Cotton-Gaines, Deputy City Manager
Lead Department: City Manager's Office**

Meeting Date: March 16, 2023

TITLE

Discussion of Committee Purpose and City-PAUSD Collaborations

BACKGROUND

The City Schools Liaison Committee (CSLC) began to discuss the Committee Purpose at the February 16, 2023 meeting. Staff shared that the City Council and PAUSD Board adopted the CSLC Purpose Statement in November 2019 (Attachment A) and the Committee asked for this information to be brought to the March 2023 meeting.

In addition to the Purpose Statement, the Committee also requested to bring back the discussion on the City and Schools Collaborations. The most recent memo on that was from June 2021 and it is included here as Attachment B for Committee review.
